Private Cycling Tour
Through Ireland

August 4-14, 2022

Dear Friends,

We've always dreamed of experiencing rural Ireland from the seat of a bicycle, and now we're going to do it! Join us for our 2022 Hound Dog Cycling tour that will take us through a country that features amazing scenery, legends and tradition!

Our journey begins with two nights exploring Dublin and a visit to the Guinness Storehouse, then it's off to the countryside, where our two local guides will lead us through the savage beauty of Clare and Burren with its dramatic contrasts of sea, sky, bogland and hills.

Clare is the music center of Ireland so you'll be sure to have your feet tapping to traditional tunes nearly every night. We'll visit charming villages, pass by coastal vistas overlooking Galway Bay, be spellbound by the Cliffs of Moher ("the cliffs of a ruined fort") and finish the day in a quaint pub sipping your favorite Irish drink.

This trip is limited to 20 people because, in our experience, small groups are more fun! We'll stay in local boutique hotels or castles each night and enjoy full Irish breakfasts in the morning. This trip is simply amazing from start to finish, you won't want to go home!

Hound Dog Cycling Tours are supported and led by local outfitters who are the experts in the areas we visit. Executive Travel will handle all of our travel arrangements so we can relax, pedal and enjoy the magnificent scenery and Irish hospitality.

There is strong interest in this tour already, so don't delay. Join us and take part in our "céili" (traditional Gaelic gathering with music and dance) and most of all: cycle and be charmed!

Sincerely,

Rich and Susan Rodenburg

August 5, 2022 **Friday**

Upon arrival in Dublin, our guide will meet us at the airport and escort us by private transfer to our city center hotel. August 6, 2022 **Saturday**

Today takes you around Dublin City with an expert local guide, walking you to many of the highlights & historical places of interest. This walk will incorporate a visit to St. Patrick's Cathedral & Trinity College to name but a few. Everyone will enjoy the walk together and any that wish to detour

off for some personal sight-seeing may do so later in the day. Free time will be given for you to do some exploring alone before you return to your hotel. Enjoy another delicious evening meal and afterwards you will have the opportunity to enjoy some wonderful Irish music, song or dance while tapping your feet & humming along to your favorite songs. B

August 7, 2022 **Sunday - Let's go West!**

Leaving Dublin today we will transfer by private coach to Bunratty where we will explore the fascinating Bunratty Castle and folk park, this beautifully restored 15th-century castle is a must-see in this region of Ireland. A guided tour will introduce us to medieval Ireland and you can also tour the recreated 18th-century village where you can walk into the various buildings and learn about another period of Irish history. There is an option to enjoy a medieval banquet in the castle this evening if you wish.

Another interesting option for an activity today is a falconry walk on the grounds of Dromoland Castle. This experience offers a unique insight into the noble and ancient art of Falconry. This is truly a stimulating, unique and memorable experience. All the majestic, beautiful birds are captive bred, both in Ireland and abroad. They include

different species of falcons, hawks and owls. You will walk with the birds of prey as they take off and land on your gloved hand. Our overnight destination is very close Dromoland Castle. Relax and enjoy the Inn at Dromoland and its great leisure facilities. Just what you need to prepare for your first cycle tomorrow. B

August 8, 2022 **Monday - Ancient Ireland, 30 mi.**

After a hearty breakfast, we will cycle through the beautiful rural countryside of East Clare. This region which few people visit is home to wonderful country laneways which wind their way around small lakes and through lush farmland. As part of our tour today, we will take in the sites of Knappogue Castle and the ruins of the 12th century Quinn Abbey. Your cycle will take you back to your accommodation for a second overnight in Dromoland. B

August 9, 2022 **Tuesday - Kilrush to Kilkee, 27 mi.**

Today's cycle tour takes us from Kilrush to Carrigaholt & the beautiful Loop Head cycle. Overlooking the Shannon Estuary, south to County Kerry & north up towards the Cliffs of Moher. Completing our circuit, we end our day in the seaside town of Kilkee. At the end of our cycle, we will be transferred by private coach to our

accommodation in the town of Lahinch. Enjoy this quaint seaside town, take a walk on the beach or go for a swim in the Atlantic to sooth your muscles. B

August 10, 2022

Wednesday - *Lahinch to Burren National Park Loop, 39 mi.*

Today's route will take us through all of what makes this region so special. Meander through quiet country roads and enjoy the sights and smells of Irish country life. Our route takes us to the fantastic Burren National Park where you can see up close the karst landscape which makes this region of Ireland so iconic. On the return journey towards Lahinch we will pass through the village of Kilfenora where we can stop for some refreshments and take time to see this typical Irish village. We complete our circuit back in Lahinch for a second overnight in this great town where traditional Irish music will be heard wafting from the doorways of the vibrant pubs. B

August 11, 2022

Thursday - *Lahinch to Doolin, 23 mi.*

Cycling north from Lahinch we pass the famous Lahinch Golf Course before reaching the coastal town of Liscannor, famous for its stone work. Continuing to the Cliffs of Moher, we will stop here and enjoy a walk out to

these impressive cliffs with wonderful views across to the Aran Islands. Continuing to our accommodation in Doolin - you will have a chance to enjoy some great evening entertainment as you overnight here in the home of Traditional Irish music. B

August 12, 2022

Friday - *Aran Islands, 23 mi.*

A ferry ride today will bring us to the largest of the Aran Islands where we will have the opportunity to discover Inish Mor in all its glory - a fascinating place to visit. The islanders have eked out a living by improving the soil over generations with sand and seaweed. Aran is also a bastion of Irish culture where Irish is still the everyday language of most islanders, making it the strongest Gaeltacht (Irish speaking region) in the country. Many traditions that have been lost on the mainland have been maintained here. It also has a wealth of archaeological and historical remains, notably its prehistoric stone forts and early Christian sites. Cycle around this iconic Island to reach the impressive stone fortress of Dun Aonghasa and your breath will be taken away with the wonderful views from here. Returning along the Northern shores of the island you will see the resident colony of seals and have time in the Kilronan village to see the world-famous Aran wool

sweaters. Return in the evening by ferry to Doolin. B

August 13, 2022

Saturday - *Black Head Loop, 35 mi.*

As we cycle to the northern corner of County Clare this is one of the most spectacular regions in Ireland - known as "The Burren". You will be amazed by this landscape and the variety of rock formations. It is wonderful just to park up your bike for a short time and walk across sections of these "paving slabs" to explore the amazing flora hidden in the cracks and crevices. Reaching the village of Ballyvaughan offers you a beautiful place to refresh and enjoy a drink or snacks before we return to Doolin. B

August 14, 2022

Sunday - *Return home*

All too soon, our journey has ended. Morning transfer to Shannon or Dublin airport in plenty of time to check in for our flight and clear security. You may do some last-minute shopping at the duty-free shops before boarding and flying west across the Atlantic Ocean, back to the United States. Arrival to Omaha airport tonight.
