

# GREECE FOOTSTEPS OF AP. PAUL & GREEK ISLAND CRUISE

Hosted by Pastor Jeff Scheich

October 3-14, 2024

 Executive Travel

Dear Friends,

We invite you to join us on a legacy journey to Greece, traversing in the footsteps of the Apostle Paul.

Imagine wandering amongst the ruins of the Roman, Byzantine, and Ottoman empires as we travel the roads walked by Paul, Silas, Lydia, and countless other names we know from the New Testament scriptures. Our footsteps will lead us to many of the UNESCO World Heritage sites, including Delphi, the Oracle, and Apollo's Sanctuary, one of the 7 Wonders of the Ancient Greek World, and we will travel to the rock monasteries at Meteora – a phenomenal site.

Upon arrival in Athens, you will first see the Acropolis and the marble Parthenon sparkling under the Greek sun. We will get to see the daily changing of the guards in front of the Presidential Palace and Tomb of the Unknown Soldier, the Panathenaic Stadium, where the first Olympics of the modern era were held, and more in the ancient Greek capital.

Our final land destination from Paul's travels is the ancient city of Corinth, once a bustling Roman trading city between the Ionian and Aegean Seas. We will stroll through the ruins on marble-paved streets, see where Paul was put on trial, and be held spellbound by our guide's the recounting of history.

Shopping, dining, and just getting to experience Greek culture await. Whether it is the famous Corinthian currants, wine from local vineyards, olive oil, cheeses, honey energy bars, and foods from the Mediterranean diet, you will go home with your senses satiated with the generosity and hospitality of the Greek people.

Our "grand finale" is a 3-night cruise featuring Ephesus in Turkey and the Greek islands of Mykonos, Patmos, Santorini, and Crete. We invite you to join us!

Traveling to Greece

Our wonderful adventure begins as we take an overnight flight to Athens, Greece. Enjoy in-flight entertainment and meal service as you start your dream vacation.

### October 4, 2024 - Friday

Athens - Thessaloniki

Welcome to Greece! Upon arrival, we will meet our private tour guide and take an afternoon flight to Thessaloniki. Thessaloniki is the second-largest city in Greece and the most important center of the area; a port city of the Aegean Sea. It is a modern metropolis bearing the marks of its stormy and glorious history with a cosmopolitan character that gives it a special beauty and charm with evidence of Roman, Byzantine, and Ottoman history remains. During Roman times, Thessaloniki became an important crossroads on the Via Egnatia, where the road running east from Rome to the provinces of Pontus and Asia met the road running north from Athens to the Danube River. A light dinner is served before we take a good night's rest. B (in-flight) | D

### October 5, 2024 - Saturday

Thessaloniki

We will become acquainted with this great city where Paul wrote two epistles to the ancient Thessalonians. Built by King Cassander and named after the sister of Alexander the Great, the city flourished under the Byzantine Empire. Today, it is considered the Greek "Queen of the North." We will tour along the waterfront to the massive White Tower and the nearby Triumphal Arch of Galerius, built in 303 AD.

## Lion of Amphipolis

We will see St. Demetrios Church with its valuable mosaics and frescoes and enjoy the marvelous view from the Upper Town. The site where the monastery of Vlatadon was built is believed to be where Jason's house once stood and where Paul was accommodated during his visit to Thessaloniki. Lunch is served at a local restaurant, and the evening is at leisure. B | L

*"Paul came to Thessaloniki with Silas and following his usual custom, he went to the Synagogue where he used the Jewish scriptures as the source for his preaching." (Acts 17:2)*

### October 6, 2024 - Sunday

Amphipolis - Kavala - Philippi

After a rich breakfast, we head out to visit the beautiful city of Kavala (ancient Neapolis). We travel along the Via Egnatia road and drive through Apollonia. We will stop at Amphipolis to admire the magnificent stone-carved Lion of Amphipolis, which stood alongside the old Via Egnatia at the foot of the plateau where the Apostle Paul visited. Kavala, the place where Paul first landed and stepped onto European ground. At the peak of the old town proudly stands the fortress. It is a landmark of Kavala and one of its most stunning sights, as well as the peak of the peninsula of Panagia (mother of Jesus), dominated by the Acropolis of Kavala. We continue to Philippi, a Roman garrison town and the chief city in the province of Macedonia. Here, Paul won his first European convert, established the first church in Europe, and baptized a woman named Lydia. We will visit the marketplace and the cistern, which

## Meteora

tradition identifies as the place where Paul was imprisoned. Return to Thessaloniki for dinner. B | L

*"Setting sail therefore from Troas, we made a direct voyage to Samothrace and the following day to Neapolis" (Acts 16:11) "After meeting with the believers at Lydia's house, Paul and Silas leave Luke behind in Philippi" and travel along the Via Egnatia through Amphipolis and Apollonia." (Acts 17:1)*

### October 7, 2024 - Monday

Veria - Kalambaka/Meteora

We will leave Thessaloniki this morning and head south towards Kalambaka. On our way, we will experience Veria. During the night, Paul and Silas left Thessaloniki for Veria with the help of Christians. They walked for a while on Via Egnatia Road through the beautiful, lush green area. Veria was a bustling city with a flourishing synagogue. As soon as they got there, Paul and Silas visited the synagogue. It is said that the Jews of Veria were more polite than those in Thessaloniki and heard, with great interest, Paul preaching the Holy Gospel. At the spot where Paul preached the Christian faith, there is a religious monument, the so-called "St. Paul's Tribune." In this spot, Roman plates date back to the 1st century, and the monument is decorated with impressive mosaic murals. We continue our journey towards Kalambaka. Get ready to experience Meteora, the second-biggest and most important group of monasteries in Greece after those in Mount Athos (which can be visited by men only). The first mention of their history is traced back to the 11th century when the first hermits settled

## Delphi

here. The rock monasteries have been characterized by UNESCO as a unique phenomenon of cultural heritage and form one of the most important stations in the world. We check in to our hotel for a beautiful night below the cliffs and dinner will be served in the village this evening. B | D

### October 8, 2024 - Tuesday

Delphi - Athens

This morning, we will continue to Delphi. We will visit the Pan-Hellenic sanctuary of Delphi, set at the foot of Mount Parnassos in a spectacular landscape. Considered for many centuries the cultural and religious center of the Hellenic world, it is also home to the "Oracle" and Apollo's Sanctuary, one of the Seven Wonders of the Ancient World. Lunch is enjoyed in Delphi before we take a 3-hour drive to Athens. As the sun sets behind the Parthenon, we will check in to our centrally located hotel and enjoy an evening at leisure. B | L

### October 9, 2024 - Wednesday

Athens

After a delightful breakfast, we head out to discover Athens, one of the most glorious cities in the world and the cradle of Western civilization as we know it today. Founded seven thousand years ago, the city flourished in the fifth century BC when Athenian democracy was practiced in the Bouletarion (council chamber) and open discussion was encouraged in the Agora (marketplace). Paul - who was trained as a young man in the art of Greek debating - would have been delighted at any opportunity to spread the Good News of Jesus in the cultural heart of

## Ancient Corinth

the ancient world, among its numerous pagan temples, altars, statues, and monuments. Paul was invited to speak to the Areopagus (the Athenian council), which met on Mars Hill. It was only a short distance from the foot of the Acropolis, dominated by the Parthenon and built as a temple to Athena in the 5th century BC. We continue by motorcoach through the city to see the House of Parliament, the soldiers guarding the Presidential Palace, and the Tomb of the Unknown Soldier. We will also discover the Library, the University, the Panathenaic Stadium, where the first Olympics of the modern era were held, and the Temple of the Olympian Zeus. Lunch at a typical Greek tavern, and the evening is yours to enjoy Old Town (Plaka) with its numerous shops (open till late!), people-watch, or take a stroll around the Acropolis hill at sunset B | L

*"People of Athens! I see that in every way you are very religious. For as I walked around and looked carefully at your objects of worship, I even found an altar with this inscription: to an unknown god. So you are ignorant of the very thing you worship - and this is what I am going to proclaim to you." (Acts 17:22-23)*

### October 10, 2024 - Thursday

Ancient Corinth

After breakfast, we will take a short drive to Ancient Corinth. The ancient city of Corinth was destroyed by the Romans in 146 BC but was rebuilt a century later by Julius Caesar. In the time of Paul, Corinth was a busy Roman trading city on the narrow strip of land between the Ionian and Aegean Seas. It had two harbors - Lechaum on the Gulf of Corinth to the

## Acropolis

west and Cenchræa on the Aegean Sea to the east. Huge profits were made by taxing cargoes transported overland between the two ports to avoid the dangerous waters around the Peloponnese. The first attempt to build a canal across the isthmus at Corinth was started by Emperor Nero in 66 AD but was soon abandoned. The present-day Corinth Canal was completed in 1893, and we will stop to admire this masterpiece. During our visit, we will walk along the Lechaion Way - a marble-paved road linking the port of Lechaum with the city. The road passed through an imposing Propylaion (ceremonial gateway) before the citizens climbed a flight of steps into the agora (marketplace). Overlooked by the council chamber and the colonnaded stoas (covered walkways with shops), Paul was placed on a stone platform before the Roman proconsul and accused of breaking the religious laws by members of the Jewish synagogue. Besides the site of Ancient Corinth, the area is rich in vineyards. Lunch is served at a local tavern. It's time to taste the mythical Nemea-Agiorgitiko wine and the world-famous Corinthian raisins (black currants). On our way back to Athens, we will stop at Cenchræa, the port where Paul stopped during his second missionary journey, where he had his hair cut to fulfill a vow, probably the Nazirite vow. Enjoy Athens by night. B | L
