Are you ready for some football?! We will enjoy breakfast and then let the celebrations begin.

Join your fellow Cornhuskers in our exclusive private pre-game celebration\*! Enjoy a vibrant atmosphere, delicious food, and engaging activities as we build excitement before the game.

### GO BIG RED!

Get ready to cheer on The Cornhuskers as they face off against the USC Trojans in the historic Los Angeles Coliseum. The Coliseum holds a significant place in American sports history, having hosted the first Super Bowl in 1967 and two Summer Olympic Games. And,

of course, it serves as the home field for the University of Southern California (USC) Trojans football team since it opened in 1923. With its architectural design, iconic Olympic torch, and cultural significance, it stands as a symbol of athletic excellence and community pride. Furthermore, the Coliseum is set to make history once again by hosting the 2028 Olympics, further solidifying its status as one of the world's most iconic sporting venues.

After an exhilarating day of football and festivities, we will transfer to our hotel to enjoy dinner at a local restaurant of your choice.
