August 7-19, 2025

Dear Women of the Midwest,

A dream-come-true, a fairy tale journey, or simply two bucket list destinations? I can't wait to share Denmark and Norway with you.

Denmark - a charismatic country that offers everything from wonderful cosmopolitan cities to elegant rural landscapes, fairy tale castles, white sand beaches, and intricate gardens, all bathed in charm and an ethereal Nordic light. Its past is illustrious, with over a millennium of history - Stone Age to Bronze Age mysteries, a brawny Viking history, and crowning Renaissance moments. The now is a wealth of vibrant, cutting-edge designs, and a cheerful, open-minded attitude to life, topping the world's list as the happiest and most habitable nation. Denmark is fairy tales, royal palaces, cozy cafes, bicycles, and pastel-colored seaside houses. Home of Lego and Tivoli - the third-oldest operating amusement park in the world. It is a rich culture with coziness and camaraderie with a feeling the Danes call "hygge."

Norway - vast and wild. Home to dazzling blue to emerald green fjords, snow-dusted alpine peaks, grinding glaciers, and crashing waterfalls ...it is a kaleidoscope of nature at its very best. This country is a number-one attraction and top many bucket lists. Rough and rocky coastlines dotted with cosmopolitan cities showcasing the famous Scandinavian design, tucked between medieval houses and vibrant colored wooden homes. Norway prides itself on being one of the world's most civilized, educated, and tolerant societies. It is a country for nature lovers, adventure seekers, and those just seeking pure, awe-inspiring, unspoiled natural beauty.

"To Travel is to Live!" as Hans Christian Andersen said. I couldn't agree more; come join me on this fabulous journey!

Sincerely,
Lisa Anderson, Ambassador
