ENGLAND
Castles and Gardens
with Women of the Midwest!

June 22 - July 3, 2025

Dear Women of the Midwest,

Here it is! The long-sought-after journey to enjoy and experience some of the finest castles and gardens in England is back!

With years of famous history, understated charm, and quaint picture-postcard beauty, England will astound you with its diversity. Bursting with iconic images from royal palaces, ancient Roman baths and walls, grand castles, country manors, thatched cottages, and the most beautiful gardens in the world - we are off to experience it all!

History is everywhere; there were Shakespeare and The Beatles, Big Ben and the London Tower, majestic Windsor Castle, Westminster Abbey, and Buckingham Palace. Today's Britain is multicultural, with some of the world's best museums, top-class performing arts, and unbeatable big-city thrills.

The English countryside is a mosaic of breathtaking, dramatic beauty: rolling hills dotted with historic houses, mist-cloaked peaks and glacial ribbon lakes, elegant seaside resorts, medieval fortresses, formal gardens, and wild moors of bracken and heather ...all await our discovery. And for all of you who loved the Downton Abbey adventures, we will visit the village of Bampton and see all the picturesque countryside surrounding this beautiful Abbey. This is an adventure in itself!

I hope you will consider joining me on this once-in-a-lifetime journey.

Sincerely yours,
Roni (Rhonda) Thramer,
Ambassador, Women of the Midwest

Traveling to England

Our adventure begins as we take an overnight flight to London. Enjoy in-flight entertainment and meal service; you are on your way to a dream destination!

June 23, 2025 - Monday

London

Founded by the Romans over 2,000 years ago, the bustling metropolis of London straddles the murky Thames with a wealth of cultural diversity and over 300 spoken languages. Upon our arrival at Heathrow Airport, we will meet our tour guide, who will follow us throughout our journey. We are off to central London for a delightful brunch. Later, we will visit the incomparable Westminster, home of one of the world's most iconic Cathedrals and England's greatest building; the embodiment of the nation's history; theater of Kings and Queens and hallowed resting place of statesmen and soldiers; scientist, priests and poets, the magnificent Westminster Abbey welcomes over one million visitors every year - and little wonder! We continue to the Houses of Parliament before heading to one of the most visited landmarks in the city, Buckingham Palace (photo stop); if you look hard enough, you might just catch a glimpse of His Majesty at one of the palace's 760 windows ... Check into our hotel, relax, and unwind. B

immaculate gardens, and Britain's smallest royal palace. This is a journey through 250 years of botanical splendor. Explore the Gardens' magnificent glasshouses, from the tropical rainforests of the sensational Palm House to the recently restored Temperate House; experience life inside a real beehive in the "The Hive;" meander through the serene 17th-century Queen's Garden, and soak up the intoxicating scents of the fabulous Rose Garden. Lunch is served at a local restaurant before we continue to Kensington Palace. Kensington Palace remains home to members of the royal family, including TRH The Prince and Princess of Wales and their children, and was also the first marital home of The Duke and Duchess of Sussex. The afternoon is at our own pace. B | L

Tower of London - West End Show

After an early breakfast, visit the Tower of London. Few parts of the UK are as steeped in legend, superstition, and extraordinary historical moments as the notorious Tower of London. But despite its grisly reputation as a place of torture and death, within its walls, you'll also discover the enthralling history of a royal palace, a working armory, treasury, and zoo - and the world's largest diamond, the 106-carat Koh-i-Nur, or "Mountain of Light." Join one of the legendary Beefeaters on a tour and hear their bloody tales; stand on the spot - if you dare! We return to our hotel, and the rest of the day is yours to enjoy. Tonight, we will be amused during a pre-theater dinner and West End Show. B | D

Windsor Castle - JFK Memorial - Burnham

We depart London this morning. Nestled in the spectacular Berkshire landscape, atop a crag one hundred feet above the river Thames sits the inimitable Windsor Castle, the largest occupied castle in the world. Step inside to explore Windsor's intriguing history, from the perfectly magnificent State Rooms adorned with exquisite tapestries, wood carvings, and artworks by Rubens and Rembrandt to Queen Mary's Dolls House. There is also the breathtaking architecture of St George's Chapel - home to Britain's oldest order of Knights, the wedding venue of Harry and Meghan, and the resting place of no less than ten Kings of England. Leisurely lunch in Windsor before we stop at the Runnymede JFK Memorial. It commemorates the visit of President John F. Kennedy to the United Kingdom in June 1963. The site holds significance as it is also the location where the Magna Carta, a historical document that laid the foundation for modern democratic principles and human rights, was sealed by King John of

Downton Abbey Theme Day - Oxford

The theme of the day, Ladies: Downton Abbey! Though we cannot guarantee tickets to Highclere Castle*, what we can guarantee is a day you will never forget! The nearby village of Bampton served as one of the major filming locations and was chosen for its well-preserved historic buildings and picturesque streets. Some of the notable filming locations include St. Mary's Church; the exterior was used as the Downton Abbey parish church and appeared in several wedding and funeral scenes. Bampton Library served as the exterior of the Downton Cottage Hospital. Bampton Village Hall was transformed into the interior of the cottage hospital for filming. Churchgate House, a beautiful Georgian house, was used as Isobel Crawley's home, known as Crawley House, in the show. And finally, the Old Grammar School, which was used as the exterior of Downton Abbey's schoolhouse. We will enjoy lunch at a local pub, and before heading to our hotel, we stop at Cogges Manor Farm. The farm has a history dating back over 1,000 years and is known for its well-preserved medieval manor house, tearoom, and gift shop, where you can purchase local produce, crafts, and souvenirs. We arrive in Oxford in the late afternoon. A city of Dreaming Spires, a sublime ensemble of worldly wonders, and a world-class hub

of noteworthy innovation. Oxford surely ranks amongst England's most beautiful cities - prepare to be besotted! B | L *Can be confirmed in October 2024.

June 29, 2025 - Sunday

Oxford - Bath

The day is dedicated to Oxford! We will walk Radcliffe Square, explore the city's magnificent University colleges, and visit the stunning Christ Church Cathedral with its dual role as a cathedral and college chapel. Lunch is served in Oxford before visiting the Botanic Garden, the United Kingdom's oldest, with its delightful walled garden, beautiful glasshouses, and fabulous Arboretum. Our day ends in Bath, founded by the Romans as a thermal spa and an important center of the wool industry in the Middle Ages. The entire city is a UNESCO World Heritage Site. B | L

June 30, 2025 - Monday

Bath

Built above Bath's 115° hot springs around 70AD, and today one of the best-preserved Roman remains in the world, the breathtaking Roman Baths is surely one of the thrilling highlights of our journey. Preserved within are its four main features, the Roman Temple, the Sacred Spring, the Roman Bath House, and a fabulous museum containing a remarkable collection of artifacts from Aquae Sulis. The afternoon is yours to enjoy. Swing by the Guildhall Market, the oldest shopping venue in the city, with more than twenty stallholders selling pretty souvenirs. Or, enjoy your afternoon tea by the Pulteney Bridge. We gather tonight to enjoy dinner at a restaurant in Bath. B | D
