London

Upon our arrival at Heathrow Airport, we will meet our tour guide, who will follow us throughout our journey. We are off to central London for a delightful brunch. Founded by the Romans over 2,000 years ago, the bustling metropolis of London straddles the murky Thames with a wealth of cultural diversity and over 300 spoken languages. We will take a panoramic sightseeing tour before we visit to one of the most acknowledged landmarks. Few parts of the UK are as steeped in legend, superstition, and extraordinary historical moments as the notorious Tower of London. But despite its grisly reputation as a place of torture and death, within its walls, you'll also discover the enthralling history of a royal palace, a working armory, treasury, and zoo - and the world's largest diamond, the 106-carat Koh-i-Nur, or "Mountain of Light." Join one of the legendary Beefeaters on a tour and hear their bloody tales; stand on the spot - if you dare! We will check into our hotel in the afternoon, relax, and unwind. B

April 17, 2026 - Friday

architectural masterpiece—Westminster Abbey. An embodiment of the nation's history, it has been the setting for royal coronations, the resting place of statesmen, soldiers, scientists, priests, and poets, and a true theatrical stage of kings and queens. It is no wonder this magnificent landmark continues to captivate all who step inside. Our journey continues to the historic Houses of Parliament before heading to Buckingham Palace. Here, we will witness the spectacular Changing of the Guard (photo stop). If you look closely, you might catch a glimpse of His Majesty at one of the palace's 760 windows. The afternoon and evening are at leisure.*

April 18, 2026 - Saturday

Climb to the Whispering Gallery for an unforgettable acoustic experience, or ascend to the Golden Gallery for panoramic city views. Then, we will board our motor coach to take a one-hour drive to the Warner Bros Studios to discover the world of Harry Potter. We will walk through iconic sets like the Great Hall and Diagon Alley, see authentic costumes and props, and uncover the magic behind the special effects. Windsor - Stonehenge - Bath

We will depart London this morning. Nestled in the spectacular Berkshire landscape, atop a crag one hundred feet above the River Thames, sits the inimitable Windsor Castle, the largest occupied castle in the world. Step inside to explore Windsor's intriguing history, from the perfectly magnificent State Rooms adorned with exquisite tapestries, wood carvings, and artworks by Rubens and Rembrandt to Queen Mary's Dolls House. There is also the breathtaking architecture of St George's Chapel - home to Britain's oldest order of Knights, the wedding venue of Harry and Meghan, and the resting place of no less than ten Kings of England. Lunch is served in a local pub before we continue to Stonehenge. Step back in time to one of the world's most famous prehistoric monuments. Marvel at the towering stone circle, discover its ancient origins and explore the myths and legends surrounding this UNESCO World Heritage Site. On our way to Bath, we will make a stop to stroll through the picturesque streets of Bradford-on-Avon to admire the stunning medieval architecture - this delightful town is a hidden gem!

Castle Combe - A Vineyard - Broadway
Today, we will immerse ourselves deeper into The Cotswolds. Our first stop is at the enchanting Lacock Abbey, a stunning medieval abbey-turned-country house with a rich history and picturesque surroundings. We will wander through its historic cloisters, made famous by Harry Potter films. Next, we will stop to stroll Castle Combe, also known as "The Prettiest Village in England," and you will soon understand why. By the Middle Ages, the village in the valley had become an important center for the wool industry. The spinsters and weavers lived in the cottages, and the river, still known as By Brook, provided the power to run the mills. Recently, the village has played host to many filming activities, the most famous being "Doctor Doolittle" filmed in and around the village in 1966. Free time for lunch before we continue to a local vineyard situated on the edge of Tetbury. We will enjoy the beautiful views of the rolling Cotswold landscape and a savory snack. We will check into our fairy tale hotel on Broadway in the afternoon. B | S

More of The Cotswolds

Sudeley Castle is Grade 1 listed and has ten notable gardens covering some fifteen acres within a 1,200-acre estate. We will walk in the footsteps of some of history's most notable characters in the beautiful gardens. It is also the only private castle in England to have a queen buried within its grounds. The Queens' Garden is the magnificent centerpiece of Sudeley's gardens. It is named after four of England's queens: Anne Boleyn, Katherine Parr, Lady Jane Grey, and Elizabeth I. In Tudor times, it would have been planted with herbs, vegetables, and decorative flowers. Today, it boasts more than eighty varieties of roses. Next, we will also make a photo stop in Bourton-on-the-Water and take a short walking tour of Stow-on-the-Wold. A traditional Afternoon Tea is served in a beautiful tea room, and our last stop is at a historic, family-run brewery in the heart of the Cotswolds. Established in 1849, it combines heritage brewing methods with modern innovation. We will enjoy a pint of award-winning ale brewed with passion and tradition! Time to relax tonight. B | T | T
